

Exeter Township KKAD25® Campaign

_____ (Street or Road)

Exeter Township has recently launched **Keep Kids Alive Drive 25 mph** campaign. This pro-active program is designed to bring awareness of the dangers of speeding in neighborhoods.

The first part is to bring awareness to the street. Exeter Township has provided the materials for neighborhoods to use.

Decals and bumper stickers can be used on trash can and recycling containers

Please take the time to read the brochure, talk to your kids and encourage your neighbors to participate. Let's make each street a safer street by observing the speed limit!

If you need additional materials, you can acquire them at the Exeter Township Office on Demoss Street or fill out the form and drop it off at the street coordinator house.

Thank you for your participation!

Street Coordinator _____

House Number _____

Name _____

House Number _____

_____ Key Chain _____ Bumper Sticker

_____ Brochure _____ Refrigerator Magnet

_____ Vehicle Magnet _____ Trash Can Decal

_____ Bumper Sticker _____ Pencils

_____ Bookmarks _____
